Butch O'Hare Monthly News Letter- February 2018

From the President's Desk:

Hello fellow modelers. I hope you have had a great month between meetings and have been able to get some modeling done! I know that I have and am tackling a new project that is a beast of a kit. I am working on a kit with approximately 3000 pieces in it and it is really challenging. I have been working on a few things since our last meeting regarding our annual show. I have been out visiting some locations and have not had the best of luck. Hector has found one place to consider and we are going to plan a date to go and look at the facility. I would really like to get a couple of more, so if you know somewhere, or someone that has a facility that is on par with our school that we have been using, please let me know so we can include that in our review. When we set the date to go take a look, I will let those who have approached me about taking a look and we will report back to the club on our findings. Remember to please forward your suggestions to fciccarell@aol.com

We had a good turnout of models on the table this month. A total of 15 pieces were on the table and I wanted to thank those who brought something in. Remember that this months table is for anything Mustang! I hope to see some great models of cars, planes, and maybe some wild horses?

Next Meeting:

The next meeting will be February 9th, 2018. The meeting will be held at:

St. Pails United Church of Christ

5739 Dunham Road

Downers Grove, IL

Start: 7:30 PM

Theme: An old model that was built a long time ago!
