May Recap and Other News

One key person who did not show again this month was yours truly. Thank you Walter for filling in for me this month. John although busy running his store was in attendance. Congrats John!!

Since John was scrambling to close the store grab Jack-n-the-box and rush to the meeting, Walter opened the meeting by going over coming events/shows. Shows to be aware of include:

6/13 Nimcon, McHenry, IL and in the second week of August brings GTR on 8/2 and then Nationals on the following Wednesday.

November BOH Show

Coming up in November on the 14th is our own show. This year it will be a Regional show again as it was 2 years ago. This should draw more contestants and vendors. To accommodate the increased numbers and to respond to requests for improved lighting etc, we are moving to the big venue at the fairgrounds. We will also make arrangements for a food truck to keep people on the grounds. This is in response to a request from many vendors last year. We will soon be looking for volunteers to sign up early for areas of responsibility. Please take the volunteer survey at <https://forms.gle/VADPbpJEkpSGVGodA>. So far we have 21 responses to the survey! Thank you everyone.

Raffle

Many thanks to Walter who brought in a generous raffle donation for the club. I have also added a photo page of raffle prizes for the upcoming show. It looks like a lot of kits but we are not there yet. Please keep the donations coming. We are very low on car and gundam kits. Thank you everyone!!!!

The **Butch O'Hare Chicago Chapter** of the *International Plastic Modelers Society (IPMS)* was inspired by the accomplishments and heroism of **Edward Henry "Butch" O'Hare**, the U.S. Navy's first flying ace and Medal of Honor recipient in World War II. The original members of the organization therefore decided to take his name in memoriam. We welcome all those who have any level of interest in modeling to explore our website and visit us at our monthly meetings. Our members interests range from aircraft, armor, automobiles, and ships to figures of all types, spacecraft, sci-fi, horror, and wargaming.

Meeting Location

St. Paul's United Church of Christ

Support the Raffle Always

Nick Digrindakis continues to be in charge of our annual raffle. Soliciting donations is a year round activity unfortunately. Many of us have stashes that probably contain hundreds of kits. A donation of a few models that you probably will never build is not a big sacrifice. The Raffle Stash on the heels of our show and contest is depleted and can use any type of kit. The donation of a Super prize would be Super too!

Thanks to members who continue to donate on a regular schedule!!!

Please give if you can !!

Scale Model Stash Corner

I've been getting 20+ boxes like this every week. A couple of hot new AMT kits in this pic.

Rolife kits are fun for wives and daughters. And grown men too.

New paint racks - Kaleido, Alclad, and Mr. Color. Two of them are full, the third is more of a treasure hunt. I hope to fill it someday.

Mr. Surfacer now in stock! Get it before I run out!

– Stashmaster John

Newsletter Contributions Welcome!

We would love to have at least one article each month. Museum visits, airshows, IPMS shows, book reviews, tips & techniques, kit reviews – whatever you feel like contributing, we'll give you the space and make you famous. Please send contributions to Nick and he will add them to the newsletter. Walter! Thanks for your Volo Car Museum photos.
